COURSE NAME : E-GOVERNANCE

STUDENT NAME : Mahongo Sanji

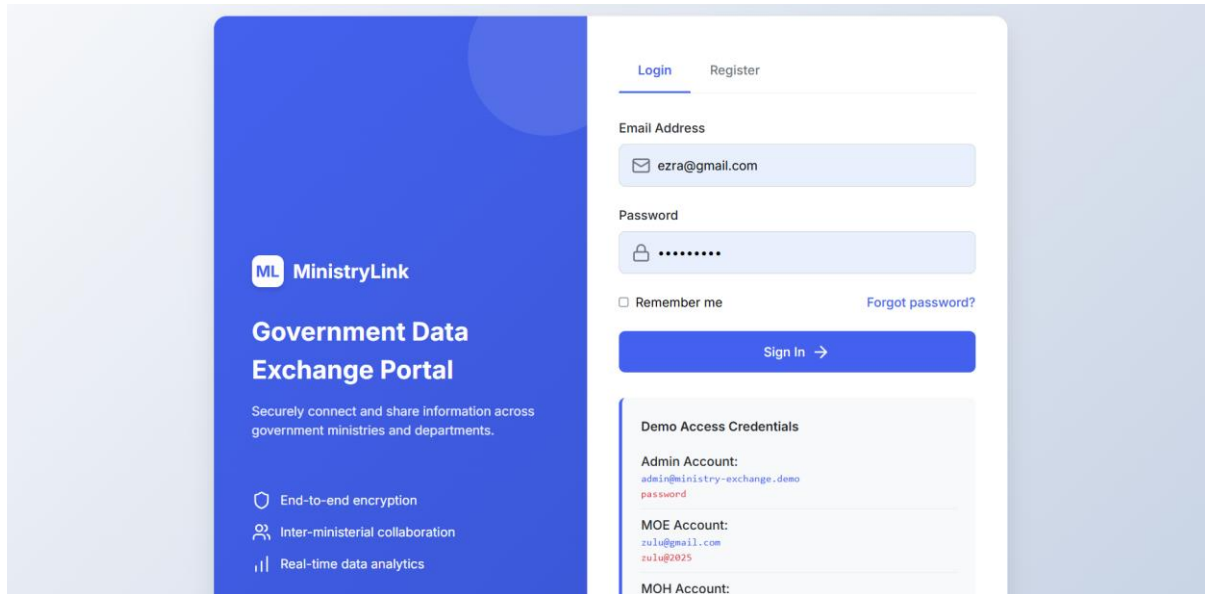

STUDENT NUMBER : 2307580232

TASK # : 4

ABSTRACT : GOVERNMENT MINISTRY DATA MANAGEMENT SYSTEM

USER EXPERIENCE AND USER INTERFACE

- Login and Register

The image shows the MinistryLink login and registration interface. On the left, a blue sidebar contains the MinistryLink logo, the title 'Government Data Exchange Portal', a description, and three features: End-to-end encryption, Inter-ministerial collaboration, and Real-time data analytics. The main white area has tabs for 'Login' and 'Register'. The 'Login' tab is active, showing fields for 'Email Address' (with 'ezra@gmail.com') and 'Password' (with masked characters). There are checkboxes for 'Remember me' and a 'Forgot password?' link. A 'Sign In' button is at the bottom. A 'Demo Access Credentials' section lists Admin, MOE, and MOH accounts with their respective email addresses and passwords.

The image shows the MinistryLink registration interface. The left sidebar is identical to the login page. The main white area has tabs for 'Login' and 'Register'. The 'Register' tab is active, showing a progress indicator with steps 1 and 2. Step 1 is active, showing fields for 'First Name', 'Last Name', and 'Ministry/Department' (a dropdown menu). A 'Continue' button is at the bottom. A link 'Already have an account? Sign in' is at the bottom right.

- User dashboard

The screenshot shows the MinistryLink User Dashboard. The header includes the MinistryLink logo, navigation links for Dashboard, Requests, and Audit Logs, and a user profile for ezra masheka. The main section is titled "Dashboard Overview" and includes a "New Request" button. It features four summary cards: Total Requests (0, up 12% from last month), Pending Approval (0, Requires attention), To Approve (2, 93% success rate), and Active Ministries (4, All connected). Below these is a "Recent Requests" table with columns for Request ID, To Ministry, Purpose, Status, Date, and Actions. A "Quick Request" button is also present. The footer shows a Windows taskbar with various application icons and the system clock.

- Requests

The screenshot shows the MinistryLink Requests page. The header includes the MinistryLink logo, navigation links for Requests and Audit Logs, and a user profile for ezra masheka. The main section is titled "Data Requests" and includes a "New Request" button. It features five summary cards: Total Requests (3), Pending (2), Approved (1), Rejected (0), and Completed (0). Below these is a search bar with filters for Status and Data Type. The "All Requests" table lists requests with columns for Request Details, Ministries, Status, Date, and Actions.
